THE DEMAND for the automatic bookkeeping register machine, styled the three-in-one, combining a cash register, an adding machine and an automatic bookkeeper, creates immediate need for expansion.

The company has been operating for six years. Many of these machines are in use. The resources of this company and the demand for the machine warrants us in recommending this investment.

We are offering a limited number of shares at fifteen (\$15) dollars on the easy payment plan. We ask that you call at our office and see this machine demonstrated and allow us to tell you of the possibilities of the earning power of your money when invested in this company.
